

Entering Two Divisions of a USTA National Championship

The USTA National Championships permit a player to enter more than one age division. However, it is important to understand the consequences of this decision.

If you want to play in a USTA National Championship, but are unsure if you will get in, you may enter up to two different age divisions. When selection is done, players are selected for the oldest age division first.

- If you are selected into the older age division entered, you will not be selected into the younger age division.
- If you are not selected into the older age division, you will only be considered for selection into the younger division and you will only be eligible to be an alternate in the younger division.
